

# Admissions Online

Welcome to Excel Christian Academy and thank you for your interest.

## How to Apply

Our application process is rolling throughout the year. Applying is easy using our **Online Application**. We encourage families to apply online as it simplifies submission and provides parents a tool for tracking online the status of their admission after their application has been submitted. A non-refundable fee of \$100 is required once the application is submitted.

## Create an Online Application

To begin the Online Application process, [Create an Account](#). Then log in to your account and **Create A New Student Application** for your child. You will then have the flexibility to log in and out of your account and access your open application.

After submitting the application, you will be able to track online your admissions status at the school by logging in to your account. There you will be able to print the completed applications, monitor when the school receives supplemental application forms and, if necessary, reprint the supplemental forms.

## Request More Information

Should you desire more information than is available on our website, please [Request More Information](#) and our Admissions Office will contact you.
